

## Oklahoma City Community Foundation Scholarships

The Oklahoma City Community Foundation is home to more than 120 scholarship funds established by individuals, organizations and companies. These funds share the common goal of helping to make a difference in the lives of others. Students must complete a general online application for scholarships. After you complete and submit your General Application, click on "View Opportunities" to review the recommended scholarships that match up with the information included in your submitted General Application. This does not mean that you are qualified to apply for every scholarship listed as a recommended scholarship. You will note that each recommended scholarship listed has at least one additional question. Before you apply for a specific scholarship, please review the qualifications and any restrictions to ensure that you qualify. You will need to complete the additional questions for each scholarship that you apply for.
