Educators

GOAL: \$10,000

School year 2019/2020

The **iCARE Challenge** is a donation only campaign designed to raise funds, create awareness for the needs of our educators, and recognize them for the impact they have on our children. We want to show them **WE CARE!** For many years, the MPO has provided financial and volunteer support to our teachers, administration, support staff and students at Memorial. Through donations received from our Bulldog Families, we are able to show **WE CARE** by providing: grants that are used throughout the school; funds for Professional Development; Staff Appreciation events to maintain and improve morale; and, support for school, family and community interaction.
