**4. Student Council Report:** K Club has been chosen as the Swine Week recipient.

**5. Principal's Report:** 2020 has been nothing short of bizarre!

The K Club is the Swine Week recipient. At this point it is unknown exactly how Swine Week will play out, but some version will be had. The Assemblies are in question. Next week there will be the play – Blythe Spirit. We are currently having sports, (fall sports are about to be finished), fine arts and concerts. Seating for all will be limited.

Sally S. spends 3 to 4 hours a day doing Contact Tracing and handling all of the stuff having to do with Covid-19. Thank you Sally! **The RULE** – If someone has been within 6 feet for 15 minutes, whether wearing a mask or not, MUST quarantine for 14 days. There have been staff members who have had to quarantine but they are able to work from home. Currently we have 300 students doing virtual learning. This is the lowest number of the 3 high schools. The deadline for virtual only commitment is November 20, 2020. Virtual Edmond is most likely here to stay. Tony Rose stated several times how appreciative he is for everyone's cooperation in this unprecedented time.

**6. Counselor's Report:** Stacey Tate – It is very quiet in the Counseling office. Communication is conducted via email. AP test is October 30, 2020. Many things are in limbo. Enrollment begins in January 2020. Since there is the option to do 100% virtual school or the alternate A B Schedule, counselors must wait and see how many students are participating in either of the options. We are still planning on having the ACT in April, 2021. The students are still able to attend Francis Tuttle. Finally, there are so many college scholarships. Check out the school's website, look for Money for College, to see what is available.

**7. Newsletter:** There will not be a newsletter this year.

**8. Staff Appreciation by: Valerie Arie** – There was a food truck for the teacher luncheon. Last week for the parent-teacher conferences sandwiches were provided. We are having a K-Cup donation for the teachers, and it is close to being filled. We also received a \$50.00 donation via Venmo for the K-cups. There will be another K-Cup gathering in the Spring. In November, we will be asking for pies so that each teacher will have a pie for the Thanksgiving Holiday. In December, we will have the Christmas Raffle. All of these requests will be made via Sign Up Genius.

Regarding supplies, we received a donation of Hand Sanitizer from the District. At this point the school has an ample supply of sanitation products. However, we need Kleenex and Paper Towels.

**9. Class Representative:** There has not been an election of the Class Representative Parents.

Cap and Gown and Senior Salute are due October 30, 2020. Graduation will be on campus, Friday May 21, 2021, @ 7:00 p.m. All of the high school graduation will be held on campus. It is unknown at this time about the number of family and friends who can attend. The Class of 2020 was permitted to have 4 family members.

**10. New Business:** Lisa Shinn, a geometry teacher, is teacher of the year! Staff Appreciation will do a basket to congratulate her. At this time, we are not doing teacher grants. We hope we have the funds to do so in the Spring. The only fundraiser so far has been the masks. Possibly will do a plain Edmond Sweatshirt, basic wear for parents and all. Also considering having an online store.

**11. Unfinished Business:** None

The meeting was adjourned at 1:22 p.m.

**Next Meeting is 11-19-20 @ 12:30 p.m.**
