

**Edmond Public Schools
Student Technology Protection Plan**

EPS students will be issued a technology package including a Chromebook or iPad, charging cord, and protective carrying case. The *Student Technology Protection Plan, STPP*, gives parents the option to purchase a **\$25 per student** protection plan covering the repair or replacement costs of the technology package. *Families are strongly encouraged but not required to participate in this voluntary program.* For those who opt-in, the protection plan must be purchased **BEFORE the student takes possession of the technology package.** Payments for the protection plan will be accepted beginning July 8, 2022. The plan is effective until the first day of school in the 23-24 school year.

Protection Plan Coverage:

If purchased, the *Student Technology Protection Plan* covers damage to the technology package items as follows:

- **100%** of the **FIRST** incident of damage or theft
- **50%** of the **SECOND** incident of damage or theft
- **0%** of any additional incident of damage or theft - After two incidents, the parent/guardian is responsible for **all** repairs and replacement costs.

This plan does not cover lost equipment; only damaged or stolen equipment.

STOLEN CLAIMS MUST BE SUBMITTED WITH A POLICE REPORT.

Evidence of intentional damage or signs the Chromebook or iPad was not regularly carried in the district-issued case will not be covered by the insurance.

The plan does not cover cases with stickers or carvings in the plastic
